Karrie,

A couple of items that you may want to mention tomorrow for Source Water & UIC are below:

UIC

- The program intends on public noticing the draft permit for Catalyst Energy on July 22<sup>nd</sup> with a virtual public hearing being held on August 24<sup>th</sup>. This is a proposed Class II disposal well located in Keating Township, McKean County, Pennsylvania.
- The program is still actively engaged in tribal consultations with the Seneca Nation for three of our permits. If anyone would like to learn more about how the consultations have been conducted or how they're going, they can contact Kevin Rowsey.

**Nonresponsive based on revised scope**

Let me know if you need anything else!
